October 2005

Dear friend of CIMAC,

this is issue no. 11 of the CIMAC Newsletter to keep you updated on CIMAC's activities. The aim of our newsletter, which appears on an irregular basis, is to supply our members and all those interested in CIMAC and its activities with a short information on news items. Further details will be given on our website www.cimac.com – just follow the links.

- preparations for this year's CIMAC CIRCLE at Marintec Shanghai on Dec. 8, 2005, are progressing well. The invitation (pdf-download) and an online registration form-sheet can be found under http://www.cimac.com/congress_events/Index1-circle2005.htm
- a new CIMAC Recommendation – No. 24 - has been issued by the CIMAC WG 8 Marine Lubricants on **'Treatment of the system oil in medium speed and crosshead diesel engine installations'**. The new recommendation is available in the CIMAC Technical Paper Database at <http://www.cimac.com/services/Index1-techpaperdatabase.htm>
Only CIMAC members are entitled to free downloads of papers of the CIMAC database, however, non-members can log-in as 'guests' and electronically order all documents at the indicated price.
- the Japanese CIMAC NMA (JICEF) will hold another 1-day seminar on **'The latest information on Emission legislations for ships and Field experience of intelligent engines'**. There is only a limited number of places available therefore register soon if you would like to attend this seminar. The programme can be downloaded from http://www.cimac.com/congress_events/Index1-events.htm
