December 2003

Dear friend of CIMAC,

with this 3rd issue of the CIMAC Newsletter we would like to keep you updated on CIMAC's activities. The aim of our newsletter, which appears on an irregular basis, is to supply our members and all those interested in CIMAC and its activities with a short information on news items. Further details will be given on our website www.cimac.com – just follow the links.

- The **CIMAC Technical Paper Database Project** is nearly finalised. By end of this month it will include the papers of **all CIMAC Congresses** since the first congress in 1951. Also **all CIMAC Recommendations** are now included in the database. Downloads are **free for CIMAC members only**. However, **non-members** may browse the database in the 'guest' status to view abstracts and can order the full pdf-files against payment <http://www.cimac.com/services/Index1-techpaperdatabase.htm>
- **24th CIMAC Congress in Kyoto June 7 – 11, 2004** - The Call for Papers was met with a record-breaking response. 260 abstracts from 23 countries have been submitted for the 15 sessions at the 4-day CIMAC Congress. **Registration has already started. Don't miss it – register now at** http://www.cimac.com/congress_events/Index1-congress2004.htm
- The CIMAC Working Group 'Heavy Fuels' has elaborated a new **CIMAC Recommendation: No. 21 'Recommendations regarding fuel quality for diesel engines'**, which is now available in electronic form at <http://www.cimac.com/services/Index1-techpaperdatabase.htm>

We hope that our newsletter is a helpful tool for you to update yourself on the latest CIMAC activities.

We wish you a **Merry Christmas** and a **prosperous and healthy Year 2004!**

*If you do not wish to receive
our newsletter in the future
