*April 2004*

Dear friend of CIMAC,

with this 4<sup>th</sup> issue of the CIMAC Newsletter we would like to keep you updated on CIMAC's activities. The aim of our newsletter, which appears on an irregular basis, is to supply our members and all those interested in CIMAC and its activities with a short information on news items. Further details will be given on our website [www.cimac.com](http://www.cimac.com) – just follow the links.

- our main activities are presently focused on the forthcoming 24<sup>th</sup> CIMAC Congress to be held in June 2004 in Kyoto, Japan. Have a look on the Preliminary Programme at [http://www.cimac.com/congress\\_events/Index1-congress2004.htm](http://www.cimac.com/congress_events/Index1-congress2004.htm) and click on the button 'Prel. Programme' in the top navigation line. The Preliminary Programme is still subject to change and is intended as a first idea only.
- Make use of the advantage of early registration at reduced fees – **early registration** for the 24<sup>th</sup> CIMAC Congress 2004 **will end April 19, 2004**, therefore register now at [http://www.cimac.com/congress\\_events/Index1-congress2004.htm](http://www.cimac.com/congress_events/Index1-congress2004.htm) and click on the button 'Registration' in the top navigation line.
- Just in time for the 24<sup>th</sup> CIMAC Congress the CIMAC WG 8 Marine Lubricants will prepare a new recommendation 'Guidelines for Diesel Engine Lubrication – Lubricating Oil Degradation'. It will be published approx. in June 2004 in the CIMAC Technical Paper Database (<http://www.cimac.com/services/Index1-techpaperdatabase.htm>), where you can find all CIMAC recommendations as well as all previous CIMAC Congress papers. Downloads are free of charge for members, non-members can order all available papers against a fee by filling-in the online order-sheet. As a non-member you have to register in the 'guest' status.
