

9th CIMAC CASCADES 2018

Call for Students

Looking for a Career?

Opportunities and Technical Needs for Internal Combustion Engines

Come to the CIMAC CASCADES

An industry event for Early Career Engineers and Students

WHAT: CIMAC CASCADES Event, for students! (Registration cost is \$15)

WHEN: February 22 (evening) through February 23, 2018

WHERE: On the campus of Texas A&M University, College Station, Texas

WHO: You! Participation will include industry leaders and early career engineers to share their experiences of working the challenging yet rewarding field of internal combustion engines, and recruit you to consider making a career of it.

WHY?:

- Learn about careers in internal combustion engines
- Meet prospective employers

Agenda

Thursday Feb. 22	6:00pm – 8:00pm	Registration and Networking Event with Sponsoring Companies <i>Calvary Court</i>
Friday Feb. 23	8:00am – 5:00pm	Breakfast, keynote, presentations, and reception / network <i>Rudder Tower 601</i>
